

Camp Nurse – Netop Summer Camp; Casco, ME

Great opportunity for a 2.5 week summer job at a small, traditional boys' camp (ages 8-15) with approximately 80-90 campers! Dates are July 16 – August 3. Netop is a warm, friendly community with an outstanding staff.

Beautiful location in Casco Maine set on 100 acres, including private lake. Our camp nurse manages all day-to-day health concerns for the camp community. Responsibilities include treatment of illnesses and injuries, first aid, medication administration, screening, emergency management, health records, coordination with local medical providers and related duties.

The camp nurse must have current certifications (RN, CPR/First Aid), experience working with kids, excellent interpersonal skills, enthusiasm and integrity.

Position includes competitive salary, plus room, board and laundry service. Camp age children may attend on a free or reduced tuition basis. For more information, call Steve Hallowell at 215-284-3629 or email: info@netopsummercamp.com. Website: www.netopsummercamp.com. Netop is accredited by the American Camp Association.
